

Lifeguard Fluid CVT

High Performance Oil for Continuously Variable Automatic Transmission

Product description:

Lifeguard Fluid CVT is a premium performance and fully synthetic CVT lubricant, suitable for use in a wide range of chain and push belt type CVTs. The product utilizes a unique formulation technology specially engineered for Continuously Variable Transmission (CVT) gearbox type. A combination of antiwear and antioxidizing additives together with unique friction agents helps to maintain effective lubrication even in severe driving conditions as well as excellent oil oxidation and shear stability. Lifeguard Fluid CVT ensures gear wear protection to prolong the life of the transmission. Well balanced friction properties help to improve smooth driving experience. Exceptional flow properties and outstanding torque capacity retention ensures an outstanding fuel efficiency.

Order No.: 0671.090.117

Order No.: 0671.090.128

Technical Data Sheet

Product code:

0671.090.117 (1L)

0671.090.128 (5L)

Specifications:

Mercedes-Benz: 236.20, A0019894603;

Peugeot/Citroen: 0000999047;

Toyota: 08886-02105, 08886-02505, 08886-81390;

Characteristics:

Color Green

Density at 15°C 839 kg/m³

Viscosity at 40°C 32 mm²/s

Viscosity at 100°C 6.4 mm²/s

Brookfield viscosity at -40°C 10000 mPa.s

Pour point -50°C

Flash point (COC) 212°C
