

# Lifeguard Fluid SP-6

High Performance Oil for Hyundai & Kia Automatic Transmission

## Product description:

Lifeguard Fluid SP-6 is a low viscosity automatic transmission fluid for 6 speed Hyundai and KIA passenger cars transmissions which require a fluid with SP-IV specification. It provides improved performance, excellent wear protection and an improved shear stability. Its frictional properties not only ensure smooth and consistent shifting performance but also extend transmission life and provide excellent fuel economy features. Excellent low-temperature fluidity helps to provide immediate protection at starting in cold weather. Due to its special formulation, Lifeguard Fluid SP-6 is a premium quality product that provides ultimate driving experience and offers maximum transmission protection.

# Technical Data Sheet

## Product code:

0671.090.322 (1L)

0671.090.761 (5L)

## Specifications:

Hyundai/KIA: 04500-00115, SP-IV;

## Characteristics:

Color Red

Density at 15°C 847 kg/m<sup>3</sup>

Viscosity at 40°C 25.7 mm<sup>2</sup>/s

Viscosity at 100°C 5.4 mm<sup>2</sup>/s

Brookfield viscosity at -40°C 10960 mPa.s

Pour point -50°C

Flash point (COC) 210°C
