

Lifeguard Axle Oil

High Performance Oil for Axles and Hypoid Axles

Product description:

Lifeguard Axle Oil is a long-life, premium performance axle oil designed to fulfil the highest requirements of heavily loaded passenger car drive train systems. The product is a fuel-efficient axle fluid, designed to provide ultimate protection to the axles that call for an API GL4/GL-5 type product. Specially formulated with synthetic base oils and additive technology that provide improved lubrication of the drive train, lowers the operating temperature and helps promote longer life for the equipment. Lifeguard Axle Oil reduces friction losses in the drive train and provides ultimate protection against gear wear. It ensures optimal lubrication at both high and low temperatures and is designed to help keep the components protected so that they can go on working efficiently.

Order No.: 0671.090.101

Technical Data Sheet

Product code:

0671.090.101 (1L)

Specifications:

BMW: 33117695240, 83222365987, 83222295532, 83222339221; 83222413511, 83229407768; 83229407809;

Chrysler: 05010320AA, 68044567AA, 68218655AA, 68218655AC;

Land Rover: LR006519, TYK500010;

Mercedes-Benz: A000989250417, A0019892703, A001989280310, A001989530312;

Nissan: KE91699931R;

Toyota: 08885-02106, 08885-81592, 08885-81593, 08885-81594, 08885-81596, 08885-81597, 08885-81598;

Characteristics:

Color Amber

Density at 15°C 879 kg/m³

Viscosity at 40°C 81 mm²/s

Viscosity at 100°C 14.9 mm²/s

Brookfield viscosity at -40°C 35000 mPa.s

Pour point -45°C

Flash point (COC) 205°C
