

Lifeguard Axle Oil

High Performance Oil for VAG Axles

Product description:

Lifeguard Axle Oil (for VAG Axles) is premium, high quality axle oil designed to fulfil the highest requirements of heavily loaded passenger car drive train systems of Audi & Volkswagen vehicles. It is designed to provide ultimate protection to the front and rear differentials and transfer boxes. Specially formulated with synthetic base oils and additive technology that provide improved lubrication of the drive train, lowers the operating temperature and helps promote longer life for the equipment. Lifeguard Axle Oil reduces friction losses in the drive train and provides ultimate protection against gear wear. It ensures optimal lubrication at both high and low temperatures and is designed to help keep the components protected so that they can go on working efficiently.

Order No.: 0671.090.002

Technical Data Sheet

Product code:

0671.090.002 (1L)

Specifications:

Porsche: 4320420, 4320530, 4330504;

VAG: G052145S2;

Characteristics:

Color Amber

Density at 15°C 879 kg/m³

Viscosity at 40°C 81 mm²/s

Viscosity at 100°C 14.9 mm²/s

Brookfield viscosity at -40°C 35000 mPa.s

Pour point -45°C

Flash point (COC) 205°C
