

Lifeguard Fluid DTF 1

High Performance Oil for Magna Powertrain transfer cases

Product description:

Lifeguard Fluid DTF 1 is a high performance fluid specifically designed for special transfer case applications of magna powertrain. It is the optimum performance transfer case fluid with excellent oxidative and friction stability. The product is designed for longer fluid life and faster oil flow in low temperature operation. It provides longer equipment life and exceptional protection against wear, corrosion and foam formation. Very good lubricating ability even under most severe operating conditions makes this fluid a perfect choice for a wide range of modern all-wheel drive vehicles.

Order No.: 0671.090.710

Technical Data Sheet

Product code:

0671.090.710 (1L)

Specifications:

BMW: 83220306816, 83222397244, 83222409710;

Chrysler: 68049954AA;

Hyundai/KIA: 00232-19066;

Land Rover: LYK500010;

Nissan: 999MP-TF0870P, KLD22-00001EU;

Porsche: 000-043-301-36;

VAG: G02515A2, G052536A2, G055515A2;

Characteristics:

Color Amber

Density at 15°C 844 kg/m³

Viscosity at 40°C 36.02 mm²/s

Viscosity at 100°C 7.9 mm²/s

Brookfield viscosity at -40°C 20120 mPa.s

Pour point -54°C

Flash point (COC) 208°C
